Twice this year Spaulding has demonstrated its diamond superiority over the school team down the creek and the verdict yesterday was unmistakable. In every phase of the game Spaulding out-played its opponents. Polli, who with Nichols has been a pitching mainstay for the school all season, was next to in-

KEET'S CHILD FOUND, REPORT

Leader of Kidnapers of Banker's Son Is Said to Be Under

Springfield, Mo., June 7.—The leader of the band which kidnaped Lloyd Keet, 4 months old, son of J. Holland Keet, wealthy banker of this city, was reportd to be under arrest yesterday. It was also said that he had said that the ab-

ducted child was in Kansas City. The police are, however, skeptical con-cerning this alleged confession. Chief of Police Rathbone said he had been informed by police in other cities that criminals, attracted by Keet's offers of ransom, were headed here and that he expected his operations to be hampered by the efforts of fake kidnapers.

J. Holland Keet was absent from his ome early yesterday and it could not be learned where or on what errand he had gone. There were sufficient reasons, how ever, to believe that he had driven off again into the Ozark mountains to hold a meeting with the kidnapers or to keep an appointment for the paying of the ransom and obtaining his child.

Judge A. A. Johnson of the criminal urt left Springfield at about the same time Keet was discovered to have gone. ludge Johnson has been active in the case and has been made the head of a itizens' committee of 1,000 to hunt the kidnapers when Keet gives the word. The departure of the two men at the

same time was explained by the sus-picion that the kidnapers had demanded that Johnson accompany Keet so that they would be assured of sufficient time to escape after the ransom had been ac-complished. On this basis it was hoped that the Keet child would be back in its me late last night.

SOCIALISTS RIOT

10,000 in the Mob That Tried to Rush Parliament Tuesday After-

Stockholm, June 7.-Ten thousand Soialists and laborers rioted in the Royal square on Tuesday afternoon when the premier of the lower house of Parliament refused the election of the Socialist leader, Branting, to the upper house.

A number were wounded by sabres wielded by police and soldiers.

A big force of guards was hastily summoned to the palace and Parliament when the mob began giving indications of violence. The parade had started as a peaceable demonstration but when the crowds found its progress barred to approaches to the palace and the Parlianent buildings, their temper changed. Stones were thrown at the police and soldiers and there were several spirited clashes.

The guards, however, were strong enough to repel all attempts of the mob to rush the Parliament building.
